

MOTION BY SUPERVISOR MICHAEL D. ANTONOVICH

APRIL 28, 2009

The proposed subdivision at 2716 Willowhaven Drive has now been considered at two separate public hearings by our Board of Supervisors. Given the reduction in height, the increased front setback, and the revised plans approved by staff, the proposed home is now consistent with other homes in the Pinecrest neighborhood.

I, THEREFORE, MOVE that the Board of Supervisors close the public hearing, adopt the negative declaration, and direct the County Counsel to prepare necessary findings and conditions to approve Tentative Parcel Map No. 063010.
